

## CUTTING INSTRUCTIONS

RS2045-12
Cut (1) 5¼" WOF strip. Subcut (7) 5¼" squares.
Cut (1) $4 ½$ " WOF strip. Subcut (4) $41 ⁄ 22^{\prime \prime}$ squares.
Reserve remainder for binding.

RS2049-15M
Cut (3) $5 \frac{1}{4}$ " squares
Cut (12) $27 / 8$ " squares

RS2046-11M
Cut (3) $51 / 44^{\prime \prime}$ squares
Cut (12) $27 / 8$ " squares

## RS2047-11

Cut (28) $2^{7 / 8}$ " squares

## RS2049-13M

Cut (20) $27 / 8$ " squares

RS2049-11M
Cut (5) $51 / 4$ " squares

## RS2043-11

Trim panel to $32 \frac{1}{2} 2^{\prime \prime} \times 401 / 22^{\prime \prime}$.

You will end up trimming off the stripes along selvages.

## PIECING INSTRUCTIONS

all seam allowances $1 / 4$ " unless otherwise noted

## MAKE FLYING GEESE

GENERAL INSTRUCTIONS: These are the general instructions for making flying geese 4 at a time. In the following section are the quantity requirements. See diagrams at top of next column.
Collect (1) $5 \frac{1}{1 / 4}$ " square and (4) $27 / 8$ " squares. Draw diagonal line on wrong side of all $2^{7 / 8}$ " squares. Place (1) $2^{7 / 8}$ " square in both upper left and lower right corners of $51 / 4$ " square, right sides together (RST) and with outer edges aligned (smaller squares will overlap in middle). Pin. Stitch $1 / 4$ to either side of marked lines.
Cut apart along marked lines and press small triangles away from larger triangle. Place one $27 / 8$ " square in remaining corner of one triangle unit, RST, with marked line as shown. Stitch $1 / 4$ " to each side of line.
Cut apart along line and press smaller triangle away from larger. Repeat with other triangle unit and square for a total of 4 flying geese blocks. Trim off all seam allowance points. Blocks should measure $21 / 2^{\prime \prime} \times 41 / 2^{\prime \prime}$.

Using the previous instructions, make the following number of flying geese blocks (NOTE: Don't fret about print direction, all the prints will be going multiple ways in the finished quilt):

12

12

28

## MAKE SIDE BORDERS

Piece (4) columns of (10) flying geese as shown below. Press seams towards end with yellow fabric.
Join sets of (2) columns into (2) units as shown. Press seam open.

## MAKE TOP \& BOTTOM BORDERS

Piece (4) rows of (8) flying geese as shown below. Press seams towards ends with teal fabric.
Join sets of (2) rows into (2) units as shown. Press seam open.

To both short ends of each border, join a $41 / 2$ " gray square. Press seams towards squares.

#### Abstract

ASSEMBLE Join side borders to side edges of panel. Press seams towards panel. Join top and bottom borders to top and bottom. Press seams away from panel. Baste, quilt and bind as desired. Binding yardage is for $2^{11 / 2 "}$ crossgrain binding.

## YOU DID IT! YOU MADE A MILESTONE PANEL QUILT!!

Be sure to use \#rubystarsociety, \#sarahwattspanel and \#birthdayfabric when sharing your creations so we can see them!

## MILESTONE PANEL OUILT

Use Sarah Watt's Milestone panel to make this adorable baby quilt. Use it as a photo backdrop to track baby's first year of life.

All fabrics are from Birthday by Sarah Watts for Ruby Star Society.

FABRIC REQUIREMENTS
FQ=fat quarter ( $18^{\prime \prime} \times 21^{\prime \prime}$ ) F8=fat eighth ( 9 " $\times 21$ )

RS2046-11M
$1 / 4 \mathrm{yd}$ or FQ

RS2049-13M
F8

RS2049-15M
$1 / 4 \mathrm{yd}$ or FQ

BACKING: $11 / 2 \mathrm{yd}$
BATTING: at least 46" $\times 54$ "
$\star$
RUBY STAR
SOCIETY
