

30's Playtime

Chloe's Closet

Dive into the vintage scraps stored in Chloe's Closet and you'll find a vibrantly colored mix of prints. There are tiny cherries, small-scale geometrics, and quirky polka dots. There are also a couple of dainty floral prints, and the sweetest mix of spools, buttons and cross-stitch. Whether you're making quilts, summer dresses, zipper bags, or aprons, sewing with these fabrics will be a happy Playtime.
