

BALTIMORE BLUES

Barbara Brackman

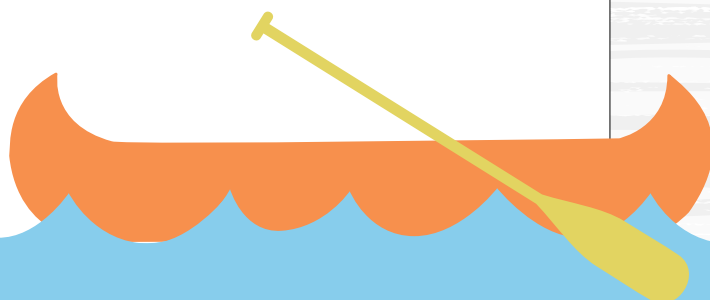

Baltimore Blues pays tribute to Maryland's elegant antique quilts and to the city at the heart of the fashion. Fabrics in this new collection from renowned quilt historian Barbara Brackman recall period prints from about 1840 to 1900. Bright blues and rich browns contrast with aged-tans and golden-greens in prints featuring sprigs, stripes and stars. Print and color names recall Baltimore's cityscape from the harbor to Lovely Lane and Patterson Park. You'll be inspired whether you collect authentic reproduction prints or just love a gorgeous shade of blue. And who doesn't love that?
